Overview

Welcome to 2 Furzton Cottages, an exceptional opportunity to secure a versatile countryside home in a beautiful setting!

The property is located on the edge of the Pembrokeshire Coast National Park, ideally positioned just a short drive from the charming village of Stackpole. The historic town of Pembroke, renowned for its magnificent 13th-century castle and excellent range of shops, schools and amenities, is approximately two miles away. Some of Pembrokeshire's most spectacular beaches, including Broad Haven South, Barafundle Bay, Freshwater West and Freshwater East, are also within easy reach, making this an ideal location for those seeking the very best of coast and countryside living.

Set within approximately 1.25 acres, the property comprises a beautifully presented semi-detached bungalow, a detached one-bedroom annexe, a double garage with planning permission for further development, and a substantial timber-framed, corrugated iron outbuilding measuring approximately 55ft by 16ft.

Planning permission has already been granted to transform the existing annexe into a two/three-bedroom, two-storey cottage (architect's drawings available on request), presenting an excellent opportunity for multi-generational living, holiday accommodation, or an additional income stream.

Inside, the bungalow offers accommodation with windows overlooking the gardens and surrounding countryside, with a charming listed inglenook fireplace providing an impressive focal point to the living room. The south-facing patio, accessed directly from the dining room, provides the perfect space for outdoor entertaining and relaxation.

Approached via a long shared driveway, the property offers ample parking for several vehicles. The gardens are predominantly laid to lawn, complemented by mature shrubs and established planting, creating a private and picturesque setting.

Early viewing is highly recommended to fully appreciate everything this unique property has to offer!
