**\*\*Modern Method of Auction\*\***

Situated on a highly popular residential street within easy walking distance of Pembroke Dock town centre, this traditional mid-terrace property offers generous accommodation, outdoor space, and excellent potential for improvement. Ideal as a first-time buy, investment opportunity, or family home, it provides a solid foundation for modernisation.

The ground floor comprises an entrance vestibule leading into an inner hallway, a comfortable living room, separate dining room, kitchen, and a downstairs shower room. From the hallway, steps lead down to a useful basement area, providing valuable additional storage space.

On the first floor, the property offers two well-proportioned double bedrooms along with a single bedroom, making it suitable for a range of household needs.

The home benefits from gas central heating and double glazing.

Externally, to the rear is a garden laid mainly to lawn with a patio seating area, ideal for outdoor relaxation and entertaining. There is a workshop to the rear, offering excellent storage or potential workspace for hobbies or small projects.

While the property would benefit from modernisation, it presents a fantastic opportunity to create a personalised home in a convenient and established location.

Pembroke Dock, is located on the edge of the Milford Haven waterway, with its historic Royal Dockyard, and is now the site of the Irish Ferries terminal to Rosslare. There is a range of amenities in the locality, including superstores, retail parks, primary and secondary schools, leisure centre and a golf course. The lovely countryside of the Pembrokeshire Coast National Park is accessible via the coastal path, and there are many beautiful beaches within driving distance.

**DIRECTIONS**
