The Agent that goes the Extra Mile

A beautifully presented three-bedroom end-terrace cottage, situated in the sought-after village of Hundleton, just two miles from the historic town of Pembroke and its excellent range of everyday amenities.

Lovingly maintained to a high standard by the current vendors, the property offers welcoming accommodation finished in tasteful, neutral décor throughout. The layout comprises of a welcoming living room and well equipped kitchen/diner, complemented by a useful utility room with direct access to the rear garden. There are two double bedrooms, a further single bedroom and an impressive family shower room, complete with a generous walk-in shower, 'his and hers' wash hand basins and illuminated mirrors.

The cottage benefits from double glazing and oil-fired central heating, together with multiple loft spaces providing an excellent amount of additional storage. A particularly attractive feature is the privately owned solar panel system, which provides a healthy return from electricity supplied back to the grid.

Outside, the rear garden offers a wonderful space for both relaxing and family life. An undercover seating area provides a sheltered spot for outdoor dining and entertaining, while steps lead to a pretty two-tier garden with ample lawn space, an established apple tree and attractive views to the north from the upper level. A selection of useful storage sheds can also be found within the garden, some benefiting from an electricity supply. A driveway provides off road parking for approximately three cars.

Combining character, excellent presentation, practical family accommodation and a generous garden, this delightful cottage offers an appealing opportunity in one of the area's popular village locations. A robotic lawn mower is also available by separate negotiation with the vendors.
