The Agent that goes the Extra Mile

Finding a family home in a beachside village is one thing; finding one where you can walk the children to school while looking at the ocean is truly rare. This detached home on the sought-after Holbrook Road offers that exact balance of coastal beauty and everyday family practicality.

The heart of this home is designed for togetherness. The open-plan living area features a cosy fireplace for winter evenings, while the dining area opens via bi-folding doors onto an elevated deck—perfect for summer BBQs overlooking the garden. With a dedicated ground-floor office (which easily doubles as a fourth bedroom) and a detached outbuilding/office in the garden, there is plenty of room for everyone to work, play, or relax.

The Rare Location: Situated in a "Blue Flag" beach village where the local primary school, shops, and pubs are all within easy walking distance. It is one of the few seaside villages where you can truly ditch the car for the school run.

FEATURES:

Room to Grow: Planning permission is already approved for a first-floor extension. This would transform the upstairs layout to accommodate an additional upstairs bedroom, along with a grand master suite featuring a dressing area, en-suite, and a private balcony.

Coastal Features: Enjoy a private roof terrace off the current master bedroom—the ultimate spot for a morning coffee with a stunning sea view.

Sustainable Living: Equipped with solar panels that provide a healthy monetary return, helping to offset family living costs.

The property features a driveway for off-road parking and a front patio with established greenery. To the rear, the lawned garden is ideal for children and pets, featuring a pedestrian gate that leads directly to a communal green—extending your outdoor play space even further.

Located within the Pembrokeshire Coast National Park, you have world-class walking trails and boating right on your doorstep, making every weekend feel like a
