Summary

A rare opportunity to acquire an impressive character farmhouse with a studio annex and approximately one acre of land, with further acreage, stables and a double garage available by separate negotiation, Set in the charming hamlet of Camrose, it is surrounded by breathtaking countryside, a 15 minute drive from beautiful sandy beaches and 10 minutes from the market town of Haverfordwest with its shops, schools, retail parks, hospital, sixth form college and train station.

The property offers flexible, versatile accommodation ideal for multi generational living. The farmhouse and studio have been run separately as highly successful holiday lets, generating £57,191 in 2025. As an option, the studio offers an excellent income stream, commanding in excess of £8000 per annum for longer lets. The vendor advises that the required occupancy levels have been met so the property has not been subject to the 225% council tax premium.

The Farmhouse:

Upon entering the property through the porch and into the living room, you are instantly greeted by a warm and welcoming atmosphere. Boasting a wealth of character features, exposed stone walls, wooden beams, and rustic wide plank country doors, the property doesn't fail to impress. Located at the heart of the farmhouse, you can really envision those cosy winter evenings relaxing with family and friends around the wood-burning stoves. A timeless country kitchen/diner is located off the living room with double patio doors opening out into the garden. The utility room offers side access into the property, and is the ideal space to store coats and boots after a day exploring the countryside. There is an additional small shower room off the utility. The ground floor also accommodates two bedrooms, with a modern Jack and Jill wet room. Alternatively, these rooms would provide a second reception room and a study. The first floor also has a walk in wardrobe, and a shower room with feature fireplace. Further accommodation comprises; three bedrooms offering ample built in storage and the timeless family bathroom. Boasting a stylish contemporary decor, the bathroom features a free standing bath tub with traditional chrome taps.

Benefitting from UPVC double glazing, the farmhouse is also served by oil central heating. The house is beautifully furnished and many furnishings/fittings are available through separate negotiation.

The Grounds:

Externally, you enter the grounds through a shared entrance with other cottages located at Upper Calf Field. A private courtyard area for the house and studio provides ample off road parking for several cars. 'The Farmhouse' and 'The Studio' are set within approximately one acre of land. A mature garden is located to the rear of the farmhouse, and provides ample space for outside seating ideal for al fresco dining during the summer. The garden houses a log cabin which is currently utilised as a games room, but would also make a great home office. A storage room leads off the games room, which also provides rear access into the paddock. A gate opens from the garden into the first of three paddocks available with the property and there is a timber horse shelter in the second paddock.

The Studio:

Situated across the courtyard from the main farmhouse, the annex offers various possibilities. Currently a well appointed holiday let, The Studio offers great income potential or would make would the ideal granny annex. Featuring vaulted ceilings with exposed 'A' frame beams, the annex offers a sense of space. An entrance hall leads through into the open plan living/kitchen/diner and bedroom area. Across the hallway is a modern shower room. With the perfect blend of character features and modern design, the annex has been tastefully decorated throughout.
