The Agent that goes the Extra Mile

A bright and airy living room with a white stone fireplace, a blue sofa, and a wooden coffee table. The room features a large patterned rug and a wooden floor. A doorway in the background leads to a dining area with a table and chairs.

A bedroom interior featuring a large bed with a white metal headboard and a floral patterned bedspread. Two folded blue towels are on the bed. The room has white walls, a window with a patterned curtain, and a wooden door. A small framed picture hangs on the wall.

With no onward chain, viewings on this lovely cottage are highly recommended. There is also approved planning for extending the cottage: NP/24/0262/FUL

The sought after village of Solva offers wonderful opportunities for boating enthusiasts and walkers, as well as having plenty of restaurants, cafes, public houses, shops, galleries, places of worship, post office, doctors' surgery, and primary school. It is some 12 miles North West of the county town of Haverfordwest and 3 miles from St David's, with its famous Cathedral and ruins of Bishops Palace, and is within easy reach of some of Pembrokeshire's most popular sandy surfing beaches, such as Newgale and Whitesands

From our Haverfordwest office take the A487 towards St Davids. Enter the village of Solva, over the bridge, and turn right at the Cambrian Inn. Continue on this road for approximately 1 mile. Turn right over the bridge at Middle Mill, bear right and go up the hill, the turning for Bridge view will be on the corner on your left hand side. What3Words:
