Located in the village of Trecwn is this detached family home. Once the village post office, Windemere is a substantial property situated on an elevated plot measuring approximately 0.27 acres. With modernisation required, this property offers the potential to be a fantastic family home with enough space to configure the layout as desired.

The layout of the property briefly comprises of an entrance hall, three reception rooms and a further dining room with an archway leading through to the kitchen. There is a rear porch with a storage room that leads to the rear garden, and a downstairs shower room leading off from one of the reception rooms. On the first floor there is an open landing leading to a family bathroom, a separate WC, and five double bedrooms. The property boasts an open fireplace in the living room, oil fired central heating and many rooms enjoy double aspect windows. The layout would lend itself well to use two reception rooms and convert into a self contained annexe to suit multi-generational living, subject to any necessary planning permission.

Externally, the property sits in an elevated position with a sweeping driveway leading to the side of the building and giving ample off road parking. A detached garage provides either dry parking or handy storage/work space. The rear patio has two external storage rooms. Steps lead up to the tiered rear garden, currently overgrown but has great potential for a generous lawned garden.

With the further appeal of no onward chain, this property offers great potential and viewing is highly recommended in order to fully appreciate!

Trecwn is a small village, 4.5 miles from Fishguard and just under 4 miles from Letterston. Fishguard is a market town on the North Pembrokeshire coastline, and has a range of shops, schools, leisure centre, railway station and ferry port to Southern Ireland. Letterston is a popular village, with a junior school, filling station, fish and chip restaurant, public houses etc.

DIRECTIONS

from Haverfordwest take the Main A40 road north for some 10 miles and passing through the village of Letterston and a mile and a half or so further on take the second turning on the right, signposted The Valley Trecwn. Continue on this road for approximately 2 miles and upon reaching Trecwn take the turning on the left (just prior to the gates leading to the former road Depot). Continue on this road for a short distance and follow the road to the left and 100 yards or so further on and Windemere is situated on the right hand side of the road. A 'For Sale' board is erected on site. What3Words:///checked.face.golden
