The Agent that goes the Extra Mile

We Say...

Set in an elevated position with far-reaching views across Carmarthen, this detached four-bedroom home offers versatile accommodation together with the added benefit of an attached annex. The main house provides four bedrooms, including a loft-converted bedroom, alongside two reception rooms and a downstairs shower room. The attached annex features its own kitchen area and shower room, providing useful independent accommodation for family members, guests or those seeking additional flexibility.

The property benefits from two separate balconies, each providing an opportunity to enjoy the elevated position and far-reaching outlook over Carmarthen. Whether enjoying a morning coffee or entertaining in the evening, the balconies make the most of the property's position overlooking the town.

The gardens extend to approximately 0.5 acres and are arranged over multiple levels, with a variety of outdoor seating areas throughout. As you make your way to the upper levels of the garden through mature shrubs reaching the levelled orchard, the outlook opens further across the Towy Valley, with views across the surrounding countryside.

Outside, there is parking for multiple vehicles out the front and to the side, which is the site of a lapse building plot. Alongside a two-storey double garage, offering far more than just vehicle storage. With an entire additional floor with all amenities connected , the garage provides excellent scope for a range of other uses from an workshop all the way to a full house conversion, subject to the relevant permissions.
