We Say...

Located in the heart of rural Carmarthenshire, with breathtaking views extending towards the distant Preseli mountains, this unique property offers a rare opportunity for a lifestyle change. Llainfawr is a beautifully modernised and extended detached farmhouse with three/four bedrooms, situated in an idyllic setting sitting in approximately five acres of gently sloping land. The home also includes a separate cabin, previously used as a successful Airbnb, additional outbuildings with further accommodation potential, and extensive workshop space.

The farmhouse itself has been thoughtfully renovated to blend traditional charm with modern comfort. The layout, which could potentially be reconfigured to create self-contained accommodation for extended family (subject to planning consent). On the ground floor, you'll find an open-plan kitchen fitted with a Belfast sink, integrated dishwasher and fridge/freezer, a Rangemaster electric range cooker with a gas hob and benefits from under floor heating. The lounge has slate flooring and a log-burning stove perfect for cosy evenings and a conservatory that opens onto a paved outdoor seating area, perfect for enjoying the peaceful surroundings. A rear hallway, connects to a boot room with a breakfast bar overlooking the garden, a ground-floor bedroom, a modern shower room, utility room, and a store room.

Upstairs, the primary bedroom enjoys dual aspect windows, including a Velux-style window, and has access to a dressing room, which could alternatively serve as a fourth bedroom. There is also a third bedroom and a stylish bathroom complete with a freestanding Jacuzzi bath.

The separate cabin is an excellent addition with open-plan living space featuring a lounge, sleeping area, and fitted kitchen, with a separate bathroom. Heated by a gas log-effect stove, the cabin also boasts a raised balcony with a hot tub, providing uninterrupted views over the valley and nearby stream.

The property also includes an extensive range of outbuildings. These comprise a workshop/garage with lighting and power, a former barn currently used for storage with a loft above that has been converted into a self-contained living space. Subject to consent, this could be developed further for residential or commercial use.

Approached by a private half-mile lane, the property welcomes you with scenic views, ponds, and a small waterfall before arriving at a turning area in front of the house. The surrounding land stretches to the front and side of the house and is bordered by the Dewi Fawr river. It includes a recently planted orchard and offers both beauty and utility, ideal for those looking for smallholding potential or simply space to enjoy the countryside.

This is a truly special opportunity to embrace rural living with flexibility, income potential, and comfort in equal measure.
