Sought-After Estuary Village Location | Just a Short Walk from the Beach

We are delighted to offer this well-presented, three-bedroom terraced property, ideally located in the heart of the charming estuary village of Ferryside.

The home has been thoughtfully refurbished to a high standard by the current vendors, including creating extra storage in the property and has the added bonus of a separate utility space.

The ground floor features a lounge that flows into a well-fitted open-plan kitchen diner, creating a warm and welcoming space for everyday living and entertaining. A separate utility room and convenient downstairs WC add to the functionality of the layout. Upstairs, the property offers three bedrooms. The main bedroom provides a comfortable double space, the second also accommodates a double, and the third is ideal as a child's room, home office or study. A stylish and modern shower room completes the first floor.

To the rear, the property offers a courtyard seating area and a raised decking area, perfect for sitting out and enjoying the surroundings. Other properties in the row have extended these decking areas further up the bank to the rear. There are also outbuildings providing useful storage. To the front of the property is a lovely patio seating area, perfect for alfresco dining or morning coffee.

Located in the popular estuary village of Ferryside, the home is just a short stroll from the beach, local cafes, and the mainline railway station with direct connections to London Paddington, Carmarthen, and Tenby. The village also offers a primary school, public house, shop and lies approximately eight miles from the county town of Carmarthen. Pembrey Country Park is just six miles away, offering a sandy beach, ski slope, cycle track and woodland walks, with Burry Port Harbour a mile further.

This property would be wonderful for a first-time buyer, someone looking for a beautiful coastal retreat or an investment property.
