The Agent that goes the Extra Mile

Two/three-bedroom detached bungalow is located in the semi-rural village of Nantycaws, offering the perfect balance of countryside living with easy access to the County town of Carmarthen via car or local bus services.

The accommodation includes a kitchen/diner, a separate dining room, and a versatile lounge which can also serve as a third bedroom if desired. There are a further two bedrooms, one of which benefits from an en-suite shower room, along with a main family bathroom. A bright and airy conservatory provides a relaxing space to enjoy views over the garden and surrounding countryside.

Externally, a gated driveway offers ample parking space and leads to a garage, with additional workshop providing excellent utility space. The generous-sized gardens feature established shrubs and mature trees, making them ideal for keen gardeners or those seeking outdoor space to relax and unwind.

Further benefits include oil-fired central heating, double glazing throughout, and stunning open countryside views to the rear — a perfect setting for peaceful rural living while remaining conveniently close to town amenities.

The County town of Carmarthen lays claim to being the oldest town in Wales, boasting a strong Roman heritage dating back to AD c75. Situated on the River Towy eight miles north of its mouth at Carmarthen Bay, the town is the location of the headquarters of Dyfed Powys Police, the Carmarthen Campus of The University of Wales, Trinity Saint David and The West Wales General Hospital. The town is well served by numerous primary schools and two secondary schools offering education through the medium of Welsh and English. The former cattle market in the heart of the town has undergone massive regeneration and the new shopping centre now houses most high street names, a Vue Cinema complex, restaurants, bars and a multi storey car park. The town is also served by direct inter city trains from West Wales to London and Manchester.
