We Say...

If you are looking for the rare opportunity of purchasing a property with the wow factor in a stunning location with some of the best coastal views in West Wales, then this really is the one for you! However, I think even the wow factor might be underselling this truly incredible and special property and all it has to offer.

Nestled in the charming village of Llansadurnen, Laugharne this detached five bedroom cottage style farmhouse, parts of which trace back to the early 1600’s, with an additional self- contained two bed log cabin, ideal for multi-generational living or holiday rental, stunning panoramic sea views spanning from the Gower across to Caldey Island Tenby and over to the north Devon coast plus rural views, approximately 16.73 acres of land with five Dutch barns, the largest of which was renovated in 2020 (approximately 121sq m) and outbuildings including a garden room, tool/workshop room,outside WC & double garage.

This semi-rural retreat offers the best of both worlds - the peace and quiet of the countryside, yet still only 2 miles from the ancient township of Laugharne, renowned for its connections to Dylan Thomas and the castle, 5 miles from Pendine with its extensive sandy beach and 16 miles from the market town of Carmarthen. The five-bedroom detached house exudes character and charm, providing a warm and inviting atmosphere for its residents. The property comprises; an entrance room leading to downstairs utility and shower room with WC, living room with cosy log burner, kitchen / breakfast room, dining room with log burner and further family living/ study room and small porch. Upstairs the property offers five bedrooms, with the master benefitting from an en-suite and also a family bathroom.

The detached fully insulated log cabin, which when complete will comprise of; an entrance hall, open plan living / kitchen / diner, two double bedrooms with master benefiting from en-suite and family bathroom and includes an electric heating system. To complete the cabin will require the fitting of a kitchen and the two bathrooms.

Externally the property benefits from extensive off-road parking, tiered front garden made up of lawned areas and two seating areas, which can be enjoyed for alfresco dining in the summer and entertaining friends and family, whilst taking in the amazing panoramic sea views that surrounds you. The house is approached via a shared hard surfaced private lane that serves the neighbouring properties and sits within the 16.73-acre plot (approximately) with 10 acres of which are laid to pasture. The current owners have replaced the majority of the fencing with long life Redwood Octopost, post and rails offering a minimum lifespan of 25 years and all field gates within the last five years.

Viewing is highly recommended to fully appreciate what this property has to offer, from the beautiful house, to the land and outbuildings, it really has to be seen.
