The Agent that goes the Extra Mile

Formerly known as The Butcher's Arms, this detached cottage occupies a plot in a rural setting and enjoys views across the surrounding countryside. The property has a well-documented local history, having served as an inn and later a village post office, with records indicating its use as a public house from the mid-19th century.

The accommodation comprises three double bedrooms, a family bathroom and separate shower room and is presented in good order throughout.

Externally, the property benefits from off-road parking and a detached garage. The enclosed rear garden is laid predominantly to lawn and includes a covered patio area adjoining the house, currently arranged as an outdoor dining space. The garden enjoys views over neighbouring fields and rolling countryside beyond. To the front, a fenced garden complements the traditional appearance of the property.

Situated approximately 10 minutes from the market town of Llandeilo, the property offers access to a range of amenities, schools, independent shops, cafés and transport links whilst retaining its rural surroundings. Combining three-bedroom accommodation with a notable local history, detached garage and countryside views, this property presents a distinctive opportunity within the area.
