Exceptional Contemporary Family Home | Approx. 1,772 sq ft | High-Spec Finish Throughout

This beautifully designed and meticulously finished four-bedroom modern home offers approximately 1,772 sq ft (165 sq m) of versatile living space arranged over three floors. Combining premium materials with advanced construction methods, the property delivers a superb balance of style, comfort, and energy efficiency, ideal for modern family living.

The ground floor is centred around an impressive open-plan kitchen, lounge, and dining area measuring over 22 feet in width, creating a sociable and inviting heart to the home. The bespoke Middleton kitchen is thoughtfully designed with quality cabinetry and ample workspace, flowing effortlessly into the living and dining areas, making it perfectly suited to both everyday life and entertaining. This main living area has also been enabled for a surround sound cinematic experience, enhancing the sense of luxury and enjoyment. A welcoming entrance hallway provides access to a practical utility room and a convenient ground-floor WC, ensuring the layout is as functional as it is stylish. Throughout the ground floor, elegant Kahrs oak flooring is complemented by oak stair treads, internal doors, and window boards, adding warmth and a cohesive high-end finish.

The first floor provides three bedrooms arranged around a central landing. The bedroom with en-suite shower room offers excellent versatility and would make an ideal teenager's room or could be styled as a luxurious dressing room. A further bedroom enjoys access to a private balcony, creating a lovely retreat, while the remaining bedroom offers comfortable accommodation. A contemporary family bathroom serves this floor, fitted with high-quality sanitaryware and premium Aqualisa showers, reflecting the consistent attention to detail found throughout the home.

Occupying the top floor is an impressive fourth bedroom suite, offering excellent flexibility for use as a principal bedroom, guest accommodation, or a private workspace. The floor also features a generous landing area, ideal for use as a study or reading area, along with a dedicated shower room, creating a self-contained feel that enhances the overall versatility of the property.

The home has been constructed to a high-performance specification, including high-quality Rehau windows and super-insulated walls and floors designed to enhance both thermal efficiency and sound insulation between rooms. Modern connectivity is ensured with full fibre broadband, while a wired alarm system provides added peace of mind. The bathrooms throughout are finished to a high standard, all featuring Aqualisa showers for a refined and reliable experience.

This is a rare opportunity to acquire a thoughtfully designed, high-specification home that combines contemporary living with excellent build quality and modern technology, creating a property perfectly suited to today's lifestyle demands.
