The Agent that goes the Extra Mile

Proudly situated in a prime elevated position on Stoneway Road, Laugharne, this detached bungalow boasts panoramic views over the historic Laugharne Castle, town and estuary. Truly a rare opportunity, the property also benefits from its very own one bedroom annex, which also overlooks the coast. A basement also offers further development potential, making the property a brilliant investment. Ideal for those looking to put their own stamp on a property, there is endless potential. Viewing is highly recommended to appreciate its beautiful setting!

Upon entering the bungalow into the entrance hall with a w/c, there is also ample storage built in throughout. The accommodation comprises; the living room with lovely coastal views, and flows around into a dining area. Leading through into the kitchen with a range of fitted appliance, a utility area also provides access onto the rear patio. There is also a family bathroom, the master bedroom which boasts those idyllic views, and two further bedrooms. The annex is located on a lower ground floor accessed via a separate entrance, and accommodates; a double bedroom with en-suite shower room, and a contemporary open plan kitchen/living/diner. Patio doors open out onto a low maintenance patio area, offering a great space to relax and enjoy the outlook. A basement which is situated on the same level as the annex, also provides further development potential. Currently used as a storage room, it would make a brilliant workshop space and also has a w/c. The property benefits from UPVC double glazing and has LPG gas central heating.

Accessed via a private lane which leads up to the rear of the property, there is ample driveway parking. Steps also lead up to the property if you want to access off the lane to the front. Centrally located on the plot, a low maintenance garden wraps around the property. Offering various seating areas ideal for dining al fresco, there is also a lawned area to the front.

The property is located in Laugharne, boasting independent stores and pubs full of charm as well as beautiful walks and views due to its position on the estuary of the River Taf. Most famous for being the home of Dylan Thomas from 1949 until his death in 1953, Laugharne is thought to have been the inspiration for the fictional town Llareggub in *Under Milk Wood*. The township is also located along the All Wales Coast Path which has a total length of 870 miles and spans the entire coastline of Wales. Along the path you can enjoy spectacular scenery, from soaring cliffs to golden sands.
