The County town of Carmarthen lays claim to being the oldest town in Wales, boasting a strong Roman heritage dating back to AD c75. Situated on the River Towy eight miles north of its mouth at Carmarthen Bay, the town is the location of the headquarters of Dyfed Powys Police, the Carmarthen Campus of The University of Wales, Trinity Saint David and The West Wales General Hospital. The town is well served by numerous primary schools and two secondary schools offering education through the medium of Welsh and English. The former cattle market in the heart of the town has undergone massive regeneration and the new shopping centre now houses most high street names, an Apollo Cinema complex, restaurants, bars and a multi storey car park. The town is also served by direct inter city trains from West Wales to London.
