The Agent that goes the Extra Mile

This improvable three bedroom, mid-terraced character home, ideally situated in the heart of the ever-popular market town of Cardigan, within easy walking distance of all local shops, the wildlife park and the many scenic walks along the picturesque River Teifi. The property offers three double bedrooms, two reception rooms, and a sunny, enclosed garden and 4kW Solar Panels which we have been advised by the owner are on a Feed in Tariff / approx £900/year! Brimming with potential, it presents an exciting opportunity for modernisation — perfect for creating a beautiful family home, a rewarding investment, or an ideal first-time purchase.

The accommodation briefly a lounge/living area, featuring a cosy log burner and dual front-facing windows that allow for plenty of natural light. Stairs rise to the first floor, with a partially open storage area beneath. An opening leads through to the rear of the property, where you'll find the dining area and a kitchen overlooking the garden. The kitchen is fitted with a range of cupboards and units, along with space for a cooker, and a door provides direct access to the garden and patio area.

Upstairs, a split-level landing leads to the principal bedrooms, both generous doubles positioned at the front, along with a third bedroom and the family bathroom to the rear overlooking the garden. The bedrooms are currently carpeted, with the original wooden floorboards retained beneath, and further character is added by an exposed stone wall and a feature fireplace. The family bathroom is fitted with a bath and shower over, along with a useful storage cupboard housing the gas boiler.

Externally, the rear garden is a true wildlife haven. South-facing, enjoying sunshine for most of the day, it provides a peaceful and private retreat. The garden features a lawned area, a charming cherry blossom arch, a selection of shrubs, a slate footpath, and a patio area—perfect for outdoor relaxation—along with a storage shed and a rear access gate.

Cardigan town is a bustling market town dating back to 1093, situated on the edge of the estuary of the River Teifi. A major trading port and ship building area back in the Middle Ages Cardigan now offers traditional shops and cultural centres for residents and visitors to experience. With much to offer, the town boasts a Castle, a primary and secondary school, a further education college, major supermarkets and superstores, banks, several public houses, leisure centre, restaurants, coffee shops and many other local retailers. Easy access from the town to many sandy beaches including Poppit Sands, Mwnt and many others each providing access to the beautiful Ceredigion Coastal Path.
