A detached bungalow situated on the outskirts of the coastal town of Fishguard, within walking distance of the shops, schools, health centre and amenities. The property benefits from gas central heating, double glazing, off-road parking for two cars and a detached garage.

The property is accessed via the side of the bungalow, leading into a welcoming entrance hallway. To the right, an opening leads into the kitchen, which is fitted with a range of matching wall and base units, along with space for a washing machine, oven, and fridge freezer. A window above the sink overlooks the rear garden. The hallway also benefits from two useful storage cupboards.

The living and dining area features a feature fireplace with an electric fire. From here, glazed sliding doors open into the conservatory, a bright and airy space that enjoys plenty of natural light and offers lovely views over the rear garden. Positioned towards the front of the bungalow are three bedrooms, two of which are doubles, with one benefiting from built-in wardrobes. The accommodation is completed by a bathroom fitted with both a separate bath and shower.

Externally, the front of the property features a driveway that provides off-road parking for multiple vehicles and offers access to the garage, which is equipped with power and lighting. There is also a lawned front garden, enclosed by mature hedging. The rear garden can be accessed either via a side gate or through the conservatory. It is predominantly laid to lawn, complemented by a central flower bed and a variety of mature shrubs and trees. Additional features include a greenhouse and a small pond, creating a great space —perfect for relaxing and enjoying the garden.
