***The Agent that goes the Extra Mile***

A delightful detached former farmhouse set within approximately 1.25 acres of grounds, complete with a range of versatile outbuildings, situated in the village of Pentrecagal just a short drive from the bustling market town of Newcastle Emlyn. Pentre is a characterful, stone-built home that has been cherished by the same family for many years. The property offers five bedrooms, three reception rooms, and benefits from modern features including air source heating and solar panels.

The house is entered through the kitchen, fitted with a range of units, a Rayburn stove, and a front-facing window that floods the room with natural light. A door leads through to a practical utility room with slate flooring, incorporating a W/C, shower, sink, and additional storage. From here, doors open to both the front and rear gardens, making it an ideal everyday entrance.

The living room features a charming fireplace, creating a welcoming focal point, and connects to a conservatory that looks out over the grounds at the rear. A second reception room offers flexibility, perfectly suited as a dining room, home office, or snug.

A staircase rises to the first floor, where there are five bedrooms. The master bedroom includes fitted wardrobes and an en-suite shower room, while the family bathroom offers both a separate bath and shower.

Externally, to the front of the property, you'll find three stables, perfect for equestrian use or adaptable for storage or workshops. To the rear, there are two attached outbuildings, offering excellent storage potential. Besides this, there are two further detached outbuildings, one of which measures approximately 15'5" x 38'11", providing ample space for machinery, vehicles, or conversion potential (STPC).

At the rear of the house, a formal garden is framed by mature trees and hedging, offering a peaceful setting to relax and unwind. A lawned driveway runs alongside the grounds and leads to a paddock, where established fruit trees and generous space for raised beds or polytunnels provide plenty of scope for those with a love of the outdoors. A wonderful opportunity to embrace a semi-rural lifestyle.

The property is approximately 2 miles from Newcastle Emlyn is a quaint market town dating back to the 13th Century. Straddling the two counties of Ceredigion and Carmarthenshire, Newcastle Emlyn town lies in Carmarthenshire and Adpar on the outskirts lies in Ceredigion divided by the River Teifi. The town offers a range of amenities including a Castle, supermarkets, restaurants and coffee shops, a primary and secondary school, swimming pool, leisure center, several public houses and many independent shops. Situated 10.6 miles south east of Cardigan and 16.7 miles North West of the town of Carmarthen (which gives direct access via the A48 on to the M4 motorway), the town is within easy reach of many local areas and attractions including the beautiful West Wales coastline, which is with easy driving distance and provides a choice of beaches and interesting coastal path walks etc.
