The Agent that goes the Extra Mile

Snowdrop Cottage is a most charming detached residence located in an idyllic setting along a no through road, in the sought after village of Stepside. The property is just a short distance from the coast at Wisemans Bridge, and is conveniently located for Tenby, Kilgetty and the A477 leading to the M4 corridor.

The layout of the property briefly comprises of an entrance porch with cloakroom, a welcoming hallway with double doors leading through to the main living room, a further reception room, and a country kitchen centered around an oil fired rayburn. On the first floor the landing space leads through to three bedrooms and a family bathroom boasting a freestanding roll top bath and a separate shower unit. The property displays endless character features, including vaulted ceilings with exposed beams, stained glass windows, and an innate décor throughout.

Externally the property sits aside a beautifully tended garden, laid to lawn with a natural stream and a pretty seating area, giving you the perfect space to enjoy the tranquil surroundings. There is plenty of parking, with a car port and a driveway, with a further car part/utility area to the side of the property.

The property comes with the added appeal of an additional stone cottage sitting adjacent to the main house, offering fantastic potential as a recreational space/home office, or would lend itself well to development into a quaint holiday let (subject to any necessary planning permission)

This property is one of a kind and offers an idyllic lifestyle opportunity in a sought after location. Viewing is highly recommended!

The Amroth/Wisemans Bridge area lies on the South Pembrokeshire Coastline and marks the beginning and end of the stunning 186 mile Coast Path Walk around the entire county. The village itself is a popular destination for holiday makers, with many seasonal shops, cafe's and public houses on offer.
