The kitchen is positioned to the rear of the property and offers a functional space with direct access out to the garden.

Upstairs, there are three bedrooms, including two good-sized doubles and a third bedroom ideal as a child's room, home office or dressing room. A family bathroom completes the first floor.

Externally, the home really comes into its own. To the front, there is a large driveway providing off-road parking for multiple vehicles, framed by mature planting which gives the property excellent kerb appeal. To the rear, the garden is a standout feature, generous in size and thoughtfully arranged with a patio seating area leading onto a well-kept lawn, surrounded by established borders and greenery.

A particularly useful addition is the near full-width shed, cleverly positioned to the rear and partially screened by mature planting, providing excellent storage or potential for workshop use without compromising the overall feel of the garden.

Overall, this is a well-cared-for home with plenty of potential, offering space both inside and out, in a popular Sittingbourne location close to local amenities, schools and transport links.
