Property Overview

From the moment you enter, the attention to detail is immediately apparent. The hallway has been finished with attractive herringbone-style flooring, decorative wall mouldings and contemporary detailing, setting the tone for the rest of the home. The separate lounge is equally well presented, with a striking panelled feature wall and a bright front-facing aspect.

The standout space is undoubtedly the kitchen/diner. Extending to approximately 18ft, it has been upgraded to an excellent specification with a stylish fitted kitchen, extensive storage, integrated appliances and a substantial central island providing additional preparation and entertaining space. There is ample room for a dining table, while wide doors open directly onto the rear garden, creating a fantastic everyday family and social space.

Upstairs are three bedrooms, including a generous principal bedroom with its own en-suite shower room, alongside a contemporary family bathroom. The remaining bedrooms provide excellent flexibility for children, guests or home working, with the current third bedroom demonstrating how well the space works as a dedicated office.

Outside, the rear garden has been designed with ease of maintenance in mind, combining a generous patio with artificial lawn to create a smart space for entertaining and relaxing. To the front, the property benefits from driveway parking.

The result is a genuinely turn-key home offering the benefits of a relatively new property without the compromises of a basic developer finish.

About The Area

Cambria Crescent forms part of a modern residential development on the southern side of Sittingbourne, offering a family-friendly setting while remaining conveniently placed for the town and surrounding road network.

Sittingbourne provides an extensive range of everyday amenities including supermarkets, shops, cafés, restaurants, leisure facilities and schools, with the town centre and mainline railway station

offering further convenience for commuters.

The location is also well placed for road travel, with access towards the A2, A249 and M2 connecting Sittingbourne with Maidstone, Medway and the wider Kent area. Nearby open spaces and established walking routes provide opportunities to get outdoors, while the modern development itself offers a pleasant residential environment particularly well suited to families and professionals.
