Property Description

Situated within a quiet residential area of Sittingbourne, this well-proportioned three-bedroom semi-detached home with garage and driveway parking for two vehicles offers excellent potential for buyers looking to modernise and create a home tailored to their own taste.

The property is well maintained throughout and has clearly been cared for over the years, although the décor now offers an opportunity for a new owner to update and personalise the space.

Internally, the home opens into a welcoming entrance hall leading through to a generous lounge, featuring a fireplace that creates a natural focal point to the room and provides a comfortable space for relaxing.

To the rear of the property, the accommodation flows into a separate dining area, which connects nicely with the kitchen and provides an ideal setting for family meals or entertaining guests. Beyond this, a conservatory offers an additional reception space overlooking the garden, creating a bright and versatile area that can be enjoyed throughout much of the year.

The kitchen provides ample storage and worktop space and is perfectly functional as it stands, while also presenting scope for modernisation to suit contemporary living.

Upstairs, the property offers three bedrooms, including a comfortable principal bedroom with built-in storage, a second double bedroom, and a third room that would work well as a child's bedroom, guest room or home office. These are served by a family bathroom fitted with a bath and overhead shower.

Externally, the rear garden offers a manageable outdoor space ideal for relaxing or light gardening, while to the front the property benefits from driveway parking for two vehicles alongside a garage, providing additional parking or useful storage.

Overall, this is a solid and well-cared-for home with fantastic potential, ideal for buyers who are looking for a property they can update over time while already benefiting from generous living space, parking and a convenient Sittingbourne location.
