Property Overview

Situated on the second floor of the popular Regis Gate development, this exceptionally well-kept apartment offers spacious, modern accommodation designed specifically for the over 55s.

The heart of the home is the generous open-plan living space, combining a contemporary fitted kitchen with a bright lounge and dining area. French doors open onto a private south-facing balcony overlooking the landscaped communal gardens, giving this particular apartment a lovely outlook and its own outdoor space.

There are two well-proportioned bedrooms, with the principal bedroom measuring approximately 14'2" x 12'1". A spacious Jack & Jill bathroom can be accessed from both the principal bedroom and hallway, while the apartment has been designed with accessibility and independent living in mind.

Regis Gate offers considerably more than the apartment itself, with residents benefiting from an on-site restaurant, communal lounge, hair salon, therapy rooms, activity space, guest accommodation, landscaped gardens and mobility scooter storage and charging. Lifts serve all floors and a 24-hour care team is available for additional reassurance.

Offered on a 75% shared ownership basis with approximately 115 years remaining on the lease, this is an excellent opportunity for buyers looking for an accessible home within a sociable and supportive development.
