

Carlyon Cottage Main Road, Woodham Ferrers, Essex CM3 8RJ

A beautifully presented detached cottage with origins dating back to 1890, nestled in a non estate village setting with far reaching undulating countryside views to the front. This attractive home has undergone considerable improvement works in recent years to include a double storey and single storey extension, completely transforming this property into a sizable family home. Features include three large bedrooms (we understand the vendor being a builder, could convert the property to four bedrooms with internal layout alterations if desired), notably the master suite which is 18'2 x 15'8 (max) with a large en-suite shower room. There is also a four piece family bathroom on the first floor serving the other two bedrooms and cloakroom to the ground floor. The property features a stunning open plan kitchen/dining room with high quality fitted appliances, solid quartz worktops and underfloor heating. This leads through to a cosy family room/snug area which was the original lounge with wonderful views through to countryside via sash style windows. There is a utility room off the hallway with ample space for white goods and there is an impressive lounge to the front with fireplace housing a wood burner, perfect for cold winter nights! Externally there is ample off road parking and to the rear a re-landscaped garden, ideal for entertaining guests. EPC rating F.
