A useful utility room with storage is accessed via the kitchen.

The sitting room is also a "wow", boasting a brick feature fireplace with multi fuel stove, which makes for cosy winter evenings at home.

A vaulted ceiling and French doors that lead to the patio provide a light and spacious area that offers the flexibility to be used as a spot to enjoy a good book, a play area for children, a study area, or just somewhere to relax and enjoy the sunset with a glass of wine.

The Large master bedroom on the first floor has fitted wardrobes and an en-suite shower room. It's generous space gives plenty of scope to relax and wind down. There are two further double bedrooms and a family bathroom on the first floor.

The landing also has plenty of useful storage space.

Outside, the barn benefits from having off-road parking and a walled garden, along with security lighting and a brick-built storage shed. In addition to the brick-built storage shed there is a second shed to the side of the property.

Attractive brick-built walls completely enclose the garden, to the front, and the patio area is ideal for those who enjoy al-fresco dining.

The village of Ambrosden is set approximately 3 miles southwest of the market town of Bicester.

The oldest part of the village consists of a few houses, including the Park Farm, a post office, a corn mill, a village hall (formerly a school) and the modern school.

The village also contains the church, the Parish Church of St. Mary the Virgin.

Most of the houses and cottages are built of coursed rubble, with many standing on the high road leading from Merton to Bicester, opposite the park, church, and vicarage. To the east of the village, near the parish church, are some 19th-century cottages made of stone, roofed with slate tiles.

For commuters both Bicester North and Bicester Town stations are a short drive away with services to London Marylebone, Oxford and Birmingham. Junction 9 of the M40 is close by and offers commuter access to London, the M25 and Birmingham.

Located 12 miles from Oxford and 24 miles from Milton Keynes, Bicester is one of the fastest-growing areas in Oxfordshire.

The town is a historic market centre, but has shown major ambitions for growth through the development of the internationally recognised Bicester Village Shopping Centre, the town centre redevelopment and the Bicester Eco-town.

For shops and facilities, Bicester offers a range of supermarkets, individual shops, doctors' surgeries, opticians, a regular market, a cinema complex, along with leisure facilities.
