

A rarely available and impressive detached family home arranged over two floors, with five generous bedrooms and plenty of flexible living space, along with a garage and ample parking to match in the popular Oxfordshire village of Chesterton, which has easy access to commuter links and amenities.

This substantial village home offers a perfect blend of space and comfort for modern family living. Built in 1970, the property boasts a generous layout, featuring two inviting reception rooms, two conservatories, a large kitchen/breakfast room, and a study that provides ample space for relaxation and entertaining guests.

Nicely set back from the road, and occupying a central village location, Appleyard also has five well-proportioned bedrooms, making it ideal for larger families or those who desire extra space for guests or a home office.

An en-suite bathroom to the principal bedroom, and a family bathroom ensure convenience for all, making morning routines a breeze.

The kitchen/breakfast room is the hub of this lovely family home. Fitted with a generous number of floor and eye-level units, space for all your appliances, it also boasts a four oven AGA, and an electric oven.

There is plenty of space too for a table and chairs, making it ideal for casual dining.

The dining room is also a very practical room. Opening directly onto one of the conservatories, it offers the perfect space for more formal dining and large gatherings.

The sitting room has the benefit of having a wood-burning stove, and French doors to the garden, providing yet another lovely entertaining space.

Outside:

To the front, the parking is equally impressive, with parking available for up to five vehicles, a rare find that adds to the practicality of this large family home.

The rear garden offers complete seclusion. Mainly laid to lawn with mature trees, and shrubs along with a patio area, it's an easy space to enjoy outside entertaining and BBQs

A stone-built outbuilding tucked away at the bottom of the garden offers both practical storage space and the option to have a workshop, home office, or hobby room.

The village of Chesterton is well served with a pub, 'The Red Cow', a Hotel and restaurant, 'Chesterton Hotel', Bicester Hotel, Golf & Spa, known as one of the finest residential hospitality venues in Oxfordshire and the Cotswolds.
