Rarely available and set in a private cul-de-sac in the very popular Bure Park Development, looking onto a nature reserve, this 4/5 bedroom EXTENDED family home is presented in our opinion to a very high standard. This family home offers flexible living accommodation over two floors and briefly comprises; entrance hallway, study/bedroom 5, lounge leading through to a spacious kitchen/dining area, two ground floor bedrooms and bathroom. On the first floor there is a very impressive master bedroom with en-suite and remaining bedroom. To the front of the property there is a driveway leading to a single garage, front garden with gated side access leading to a very well established private rear garden with distinctive patio areas. Viewing on this extremely private home comes very highly recommended to fully appreciate the size and delightful private location.
