“We had a wonderful experience dealing with Osprey and in particular Leanne. She followed up and got back to us promptly and what started as just an enquiry on my part ended up with us in our dream first home. Town Summary

In the heart of rural Essex, Thaxted is a jewel waiting to be discovered. Dating back to Saxon times, the town is full of historic buildings, perhaps epitomised by the stunning Guildhall at its heart. Overlooking the town is the splendid John Webb’s windmill, views of which make a wonderful introduction to the beautiful countryside surrounding the town. The centre is dominated by St John the Baptist with Our Lady and St Laurence Church where in the early 20th century the well known composer, Gustav Holst, was the church organist and played the famous Lincoln organ, which is still in the church today. Thaxted attracts visitors as much for its status as a community with a unique character as its historical architectural features, with a number of side streets to explore rich with medieval buildings. Individual shops including Butchery, Bakers, Post Office and imaginative gift shop are found around the town. Town Street is home to a small market on select days. Parrishes Café and Bistro is an ideal stop for a mid-morning coffee or light lunch, while The Maypole, The Star pub and The Swan Hotel offer delightful menus for lunch and evening dining.
