OLD MEAD LANE, HENHAM, ESSEX, CM22 6JJ

OFFERS OVER £950,000

OLD MEAD LANE
HENHAM
ESSEX
CM22 6JJ

Set within approximately one and three quarter acres and approached via a private road, this substantial four bedroom detached bungalow offers a rare combination of space, privacy and outstanding potential. Surrounded by open countryside, the property provides fantastic scope for further enlargement or redevelopment, subject to the necessary planning permissions. The well-proportioned accommodation is arranged over one level and comprises a generous entrance hall, spacious lounge/dining room, well-appointed kitchen/breakfast room, utility room, four double bedrooms, two of which benefit from en suite facilities and a family shower room. Externally, the property is equally impressive, with a substantial double garage with adjoining single garage & workshop, extensive driveway parking for several vehicles and existing stabling. Further benefits include solar panels with battery storage and live planning permission (ref:- UTT/15/3342/HHF) for a large side extension, offering an excellent opportunity for those looking to further enhance the property. Ideally positioned for commuters, the property is under one mile from Elsenham main line railway station, whilst enjoying a peaceful semi-rural setting surrounded by open countryside.

The property benefits from a solar panel system comprising 15 large solar panels together with a 6kW battery storage system.

The vendor advises that, during the 12 months to 31 August 2026, the system generated a total yield of approximately 6,594 kWh.

The above information, including energy generation figures, electricity costs and export payments, has been supplied in good faith by the vendor and has not been independently verified. Prospective purchasers are advised to satisfy themselves as to the accuracy of the information and the performance of the solar panel and battery storage system.

Three phase electric is available at the telegraph pole on the land of the property.

Two separate Fibre Broadband feeds are available to the property.

The current EPC is available but was carried out prior to the renewable energy being inserted (Solar Panels & Battery Storage).

The property is located on a private lane which is managed by Old Mead Lane Residents Association. This group is made up of an elected body of lane residents tasked with overseeing maintenance of the lane via an annual fee which is currently £147. This fee covers resurfacing costs and public liability insurance contributions. The property was constructed in 1986 and benefits from mains drainage and oil fired central heating. It is currently assessed as Council Tax Band G.
