Gardens

The property occupies an oversized plot, offering a generous amount of outdoor space that sets it apart from others on the development. The front garden offers a welcoming approach with ample parking and a pleasant lawned area framed by mature trees and hedging.

To the rear, the garden is thoughtfully landscaped and exceptionally well maintained. A large patio area provides the perfect spot for outdoor dining and entertaining, complete with built-in seating and fencing for added privacy. Beyond this, a well-kept lawn is bordered by established planting and flowerbeds, leading to a timber summerhouse tucked under a mature tree—ideal as a quiet retreat or reading nook.

Additionally, a tucked-away side courtyard area with decorative gravel and potted plants creates a more secluded seating area, offering further versatility to enjoy the outdoors throughout the day.

Additional Information
