Located within an exclusive gated development of just seven luxury country homes, this substantial five-bedroom detached family residence has been finished to a high standard throughout, with energy efficiency, renewable energy and air conditioning at the forefront of its design. Extending to approximately 3,190 sq ft across three floors, including the double garage, the accommodation comprises a welcoming entrance hall, spacious living room, impressive kitchen/dining room, study, utility room and cloakroom on the ground floor. The first floor offers four bedrooms, including a generous principal suite with dressing room and en-suite, a further en-suite to bedroom two and a family bathroom. The second floor provides an impressive additional bedroom suite with dressing room and en-suite, offering an ideal private space for guests or older children. Externally, the property benefits from a double garage, ample driveway parking and landscaped gardens, completing this exceptional family home. Other property styles are available. Please feel free to contact the office to discuss further details.
