

24 Blackhorse Drive, Market Harborough, LE16 9NS

Offers Over £525,000

Situated in an enviable position overlooking open fields to the front, this beautifully presented and modern detached family home enjoys far-reaching views and a wonderful sense of openness rarely found on newer developments. Constructed just over a couple of years ago to the highly regarded Darlington design by Messrs Davisons, the property occupies a sought-after position within this popular and now well-established residential area, combining contemporary family living with an attractive semi-rural outlook.

The accommodation comprises: entrance hall, cloakroom/WC, study, lounge, and a stunning 26'10" x 15'3" fitted kitchen and family room designed as the heart of the home, together with a utility room. To the first floor, a spacious landing with minstrels gallery leads to the impressive master bedroom with dressing room and en-suite shower room, three further double bedrooms, and a family bathroom.

Externally, the property benefits from open aspects to the front across neighbouring fields, creating an attractive backdrop and enhancing the feeling of space and privacy. The rear garden is private and landscaped for easy maintenance, while a single garage and parking for two cars complete the property.

Service without compromise
