OFFERS OVER £800,000

The principal bedroom has built in wardrobes and an en suite shower room, bedroom two also with built in wardrobes and bedroom three share the family bathroom. Plantation shutters are fitted to the majority of windows. Externally the gardens have been impressively landscaped to an impeccable standard with large patio seating areas, impressive covered bar and BBQ area, manicured lawns, raised sleeper borders and gated access on both sides. Further benefits include a detached garage with electric sectional door, extensive private driveway with separate gated section for secure parking, attractive walled front garden and numerous storage areas.
