A wonderful opportunity to acquire an impossibly stylish Victorian gem, with the rare benefit of 'side by side' parking for two cars, on this highly desirable section of Birmingham Road. Believed to date back to 1890, in a central location only a short walk from Lichfield's City Centre and 0.2 miles from Lichfield City Station, this impressive family home is flawlessly presented, extends to 1,332 square feet and boasts a tasteful blend of original features and some more modern design twists. Arranged over three floors with a useful cellar for storage, the ground floor is as wonderfully opulent as you would expect a Victorian City Centre residence to be with a welcoming hallway perfectly showcasing the high ceilings that are prevalent throughout the property, a striking living room with log burner and oak floor opening to a dining room with doors to the rear garden. The kitchen boasts shaker style units and a quartz worksurface and leads through to a rear hallway providing the perfect utility space and guest cloakroom. The first floor is equally impressive with the most elegant gallery landing with open play or study space, a principal bedroom with fitted wardrobes and a study or dressing room which was an en suite shower room in a previous life, two further bedrooms and a spacious family bathroom. Externally there is a block paved private driveway and a low maintenance rear garden with gated rear access.

Viewing really is essential to fully appreciate the character and charm of this delightful home and its exceptional presentation.
