FOX LANE | | STAFFORDSHIRE | DE13 7EG

£795,000

An exceptional four bedroom detached family home with no onward chain, on one of Alrewas's most desirable addresses. At the heart of this popular Staffordshire village and falling within the John Taylor catchment area, 17 Fox Lane was completed in 2022 by Levison Rose Homes, renowned for its local dominance of the luxury home market. Providing a modern alternative to the homes that have dominated these central locations for many years. Finished to an exacting standard, the flawlessly stylish and sumptuous accommodation extends to 2,211 square feet offering a flexible, family friendly, layout with an attractive balance of contemporary open plan spaces and more cosy reception rooms. The ground floor accommodation provides a grand entrance hallway with a striking oak and glass staircase rising to an opulent gallery landing, guest cloakroom, charming living room with log burner, utility room, plant room and a breath taking kitchen. Extending to 33ft across the entire width of the house, it is the perfect sociable family hub, with formal and informal dining, comfortable seating, a

'fully loaded' kitchen, with a wealth of Neff appliances, quartz work surfaces, and double doors giving access to the rear garden. Did we mention the integrated Sonos speaker system providing the perfect backdrop to the sociable gatherings these houses were built to host. The first floor boasts an elegant gallery landing, four bedrooms all with plantation shutters and two with fitted wardrobes, two stylish en suite shower rooms and a luxury family bathroom. All finished with Porcelanosa tiling. Externally the attractive block paved private driveway provides 'side by side' parking for three cars in addition to the single garage and the west facing rear garden with artificial lawn, patio seating areas and great levels of privacy.

Viewing is essential to appreciate the level of finish and exacting standard of this delightful home and its enormously desirable position within the village.
