A rare opportunity to acquire an extended four bedroom semi-detached home, in need of modernisation, on this quiet cul-de-sac in a central village location, offered for sale with no onward chain and falling within the King Edward's catchment area. The extended nature of the ground floor has given rise to a spacious open plan kitchen, dining and family space, in addition to the original two reception rooms. The two storey nature of the extension also means that the first floor now boasts four bedrooms and two bathrooms. Externally the property benefits from off street parking, a car port, single garage and front and rear gardens.

Viewing is essential to appreciate the enormous future potential of this family home and the appeal of Pass Avenue itself. No onward chain and King Edward's catchment area.
