Downes & Daughters
ESTATE AGENCY

14 Rocklands Crescent, Lichfield WS13 6DH Offers over £375,000

A fully renovated and extended three bedroom and three bathroom semi-detached home, almost totally unrecognisable from its original layout. Downes & Daughters have never seen such a clever and extreme reconfiguration on this popular road and the extensive list of rooms may leave buyers struggling to understand how they have been fit in. Which is why we highly recommend a viewing to fully appreciate this ingenious transformation. Extending to over 1,000 sq.ft of sumptuous and tastefully designed internal accommodation, boasting a flexible layout catering to the modern day needs of a growing family. The ground floor now offers a semi 'open plan' layout with an entrance hallway with pull out storage unit, ground floor shower room, hidden utility space, sitting room & study and a most impressive open plan kitchen, living and dining space with peninsula breakfast bar, log burner and bi-fold access to the rear garden. A wonderfully sociable space. The lavish makeover doesn't stop there and the first floor now boasts a principal bedroom with fitted wardrobes and an en suite shower room, a second double bedroom with built in cupboard, the third bedroom has a clever space saving pull down bed and folding desk and the luxury bathroom has a freestanding bath. The external attributes offer a private driveway with 'side by side' parking and EV charger and a south easterly facing lawned rear garden with patio and decked seating areas.

Viewing really is essential to appreciate the exceptional nature of this home.
