Truly unique opportunity to purchase this pair of mixed use properties, located in the heart of North Holmwood village.

VIEWINGS WILL BE STRICTLY BY APPOINTMENT ONLY, DUE TO THERE BEING AN OPERATING BUSINESS.

Woodlands are proud to offer for sale this pair of two bedroom properties as well as two commercial units, one of which is currently a popular coffee shop, and has an interlinking doorway to what was formally a salon, but is currently empty.

This pretty village has some gorgeous green spaces, including Holmwood Common, which is directly opposite, some local shops and a stunning stone built church. Dorking town can also be found just around the corner, where there are some excellent restaurants, pubs and a wider range of shops, including an M&S and a LIDL. In addition, Dorking has excellent train services connecting to Redhill, Guildford and London.

Potteries, which is the name of the left hand cottage, has an entrance hall, living room then a kitchen with a door to utility room and store room, with access to a small courtyard area to the side. Upstairs there are two double bedrooms and a bathroom. Harrisons, the cottage to the right, has an open plan entrance hall and living space, with access to the commercial premises to the front, and an inner lobby with a WC. At the rear off of the living room there is a kitchen/dining room that is dual aspect, and has a side door that leads round to courtyard garden and a side driveway where there is a detached garage. Upstairs there are two bedrooms and a bathroom, with the front bedroom benefitting from a large terrace overlooking the common.
