Embleys are delighted to present this stunning mid-terrace home, recently refurbished throughout and ideally located on a pedestrianised street within a highly sought-after residential area. Combining modern finishes with period charm, the property is offered with no upper chain and will appeal to a wide range of buyers.

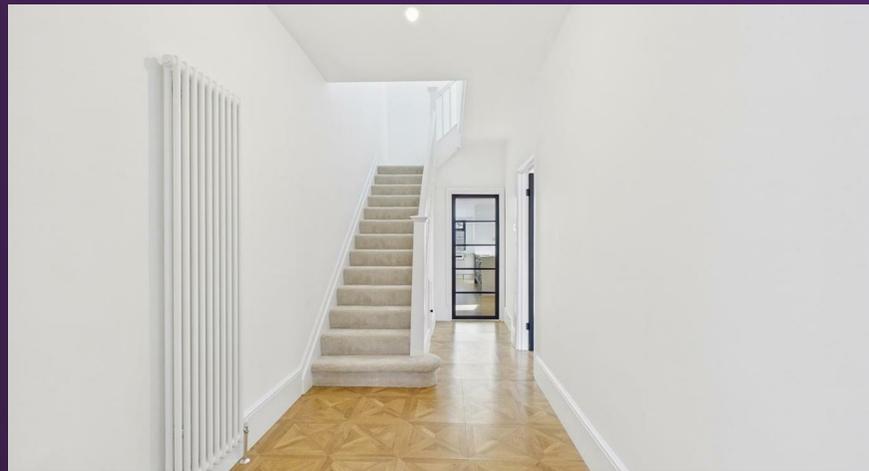

Offering over 1,300 square feet of well-presented accommodation across two floors, the property opens with a bright and welcoming entrance hallway with stairs to the first floor and doors to the reception room and kitchen diner. The front-facing reception room is light and spacious, featuring a picture bay window with partial sea views, creating an attractive focal point. To the rear, the impressive contemporary kitchen diner forms the heart of the home and easily accommodates a family dining table and seating area. The kitchen benefits from a good range of units with Quartz worktops, along with a central island incorporating storage, drawers, a wine cooler, washing machine, and a four-seater breakfast bar. Additional features include a range cooker with extractor hood, integrated dishwasher, and space for an American-style fridge freezer. This bright space benefits from Velux windows and bi-folding doors opening onto the rear yard. A downstairs WC completes the ground floor. The first floor offers three spacious bedrooms, with the principal bedroom enjoying further partial sea views, and a stylish family bathroom featuring a freestanding bath, walk-in rainfall shower, vanity wash basin with storage beneath, and WC. Externally there is a low-maintenance front garden and an attractive rear yard with feature panelling and double gates leading to the rear lane.

The excellent condition, generous size and well-designed layout make this a fantastic opportunity that can only truly be appreciated by viewing.

Located in the popular seaside town of Whitley Bay, the area offers a wonderful mix of coastal charm, vibrant cafés and modern amenities.
