Occupying the entire ground floor of an iconic Victorian red brick villa, this remarkable apartment combines grand period architecture with sophisticated contemporary living, all set against the tranquil backdrop of Freedom Fields Park and far reaching views towards Plymouth Sound.

From the moment you arrive, there is a sense of privacy and exclusivity. Double gates open into private parking and a generous garden arranged into distinct areas, with pergolas sheltering a hot tub and seating areas creating an enviable setting for long summer evenings, al fresco dining and sunset drinks.

Inside, the apartment is equally impressive. Double doors with elegant stained glass open into a striking reception hallway, where original wood flooring, generous ceiling heights and period detailing immediately establish the character and scale of the property. The reception room combines high ceilings and a beautiful period fireplace with original style cast iron radiator and space for statement furnishings. Large windows draw the eye towards the far reaching views, creating a wonderfully light and atmospheric room. The kitchen/dining room boasts a quality kitchen with integrated appliances, centred around a substantial statement island and comfortably accommodating a large dining table. Elegant wood flooring, period detailing and views across the gardens complete the space. A spacious double bedroom and a third bedroom currently arranged as a dressing room are served by a beautifully appointed bathroom featuring a slipper bath and separate shower cubicle. The principal suite of grand proportions leads through to a sumptuous, spa inspired en suite with a bath with integrated jets alongside a substantial walk in shower enclosure, creating a private retreat. A full height cellar could be utilised as a home gym or wine cellar.

With a share of the freehold and no onward chain, this is an exceptional opportunity to acquire a substantial and individual home in this distinctive setting.
