DC Lane are extremely proud to introduce to the market this superb Victorian mid terraced house located in the popular residential area of St Judes within walking distance to the City Centre and close proximity to the Embankment and the Devon Expressway.

Tucked away at the end of a cul-de-sac this beautiful family home has been tastefully decorated and styled creating a restful and inviting atmosphere. The welcoming hallway with an understairs 'nook' opens into a lovely reception room featuring a wood burner and bay window, a bedroom or second reception room could provide a great space for home working. The generous kitchen/dining room features a kitchen with an abundance of units and could easily accommodate a large dining table. A useful cloakroom/utility room leads from the kitchen. To the first floor there is a double bedroom with dual aspect windows and built in storage, spacious modern bathroom with shower over the bath and master bedroom spreading the width of the property allowing natural light to flood through with further built in hanging storage. There is a well appointed en-suite shower room with double shower cubicle. The property also features converted USB sockets in every room.

Externally, the pretty walled garden is private and secure with a gate leading to the rear service lane. To the front of the property there is access opening into a large cellar allowing for plentiful storage beneath the property with a convenient tap.

We believe this splendid property is attractive to families and couples alike and arguably one not to miss as most probably the loveliest house in St Judes on the market for sale.
