DC Lane are thrilled to showcase this superb extended semi detached family residence positioned on a generous plot and located in the highly sought after residential area of Mannamead within easy reach of excellent schooling, local amenities, City Centre and the A38.

With potential for improvement and modernisation this lovely property has been within the same family ownership for almost 60 years and enjoys spacious accommodation throughout including an extension added 40 years ago. The entrance porch opens into the hallway leading to the dual aspect lounge with french doors opening to the rear garden. The dining room is located at the front of the property and the kitchen has garden access. A cloakroom/wc completes the accommodation on the ground floor. Stairs rise to the first floor with five bedrooms, bathroom and separate w/c. The 'North Wing' could be adapted to create a master suite with en suite and dressing room.

Externally the generous garden wraps around the property and is mainly laid to lawn with mature trees providing privacy. A pedestrian gate leads to the front where mature shrubs flank the entrance path. There is a garage and driveway with entrance gates.

With no onward chain this classic family home is filled with natural light and we believe lends itself to families looking for well proportioned accommodation to remodel. A viewing is highly recommended to appreciate this exceptional home within this enviable location.
