DC Lane are extremely proud to introduce to the market this delightful period mid terraced house located in the popular residential area of St Judes within walking distance to the City Centre and with easy access to the A38 and major routes.

Offering ideal family living and entertaining space this superb property is deceptively spacious and is arranged over three storeys. The welcoming panelled hallway opens into a lovely reception room featuring a bay window, wood burner standing on a slate hearth and stripped floorboards. The generous kitchen/dining room has an abundance of cabinets and could easily accommodate a large dining table. A shower room and utility cupboard housing the washing machine completes the ground floor accommodation. To the first floor there is a spacious landing with two double bedrooms and a single with useful mezzanine area for storage. There is a bathroom and separate wc. Rising to the second floor there is a loft room with velux windows to the front and rear enjoying elevated views of Plymouth Sound.

Externally, the pretty walled courtyard garden is accessed directly from the hallway through French doors and the current owners use it as an extension to their family home. Private, secure and decked this appealing urban garden features simple touches as fold down bar table on the gate and wooden bench seat. With outdoor electric ideal for a hot tub, wood store and storage shed this certainly is a garden to be enjoyed.

With no onward chain, we believe this splendid property is attractive to families, due to the catchment area for excellent local schools and couples alike. Oozing character and charm this is arguably one not to miss and most probably the loveliest house in St Judes on the market for sale – a viewing is highly recommended.
