South View Terrace is a charming street set just off Beaumont Road in the ever-popular St Judes area of Plymouth. With minimal through traffic, the location offers the perfect blend of central convenience and a quiet, relaxed setting. This particular home enjoys stunning elevated views across Tothill Park, adding a rare and highly desirable outlook.

This Victorian terraced property offers generous accommodation and exciting potential for improvement. While the home would benefit from modernisation, it presents a fantastic opportunity for buyers to create a space tailored to their own taste and style.

The ground floor is accessed via a welcoming hallway, leading into a bright lounge featuring a bay window and a character fireplace, creating a lovely focal point. To the rear, the kitchen provides access to the enclosed courtyard, where you will find a useful brick-built shed offering additional storage. The property also benefits from a downstairs bathroom, as well as access to the cellar via a floor hatch.

Upstairs, the property comprises two well-proportioned double bedrooms, a third single bedroom ideal as a nursery or home office, and a second shower room, adding flexibility for modern living.

With its sought-after location, impressive park views, and significant scope for enhancement, this property represents an excellent opportunity for first-time buyers or investors looking to add value.

Offered at a price reflective of the work required, DC Lane highly recommend an early viewing to fully appreciate the potential on offer.
