DC Lane are delighted to present this impressive three bedroom end terrace family home located in the highly sought after Peverell area and positioned with easy access to the A38 and City Centre for a convenient commute and within strolling distance of Hyde Park shopping parade, well placed for excellent schooling and moments from Central Park.

This delightful property previously benefited from approved planning permission for a dropped kerb and front driveway, though now lapsed, this can be reapplied for, offering excellent potential for off-street parking.

A welcoming hallway opens into a light filled lounge/diner featuring a bay window, a stylish fireplace with gas fire and ample space for a statement dining table perfect for entertaining. A cosy breakfast room flows into a well equipped kitchen, which also provides direct access to the rear garden. The ground floor also includes a bathroom complete with a sunken bath. Upstairs, the generous master bedroom spans the full width of the property, complemented by a further double bedroom and a rear bedroom benefiting from a convenient en suite shower room.

A real standout feature is the unusually generous rear garden for this area, a true suntrap the garden has been thoughtfully designed with a covered area, low maintenance decking and artificial grass offering multiple seating areas strategically placed to capture sunlight or shade throughout the day. It also enjoys the bonus of rear lane access.

Tastefully presented we believe this lovely home is attractive to families, due to the catchment area for excellent local schools and couples alike. Oozing character and charm and with scope for future enhancement an early viewing is strongly advised.
