DC Lane are delighted to present this impressive mid terrace family home, situated in the highly sought after Peverell area. Ideally positioned for easy access to the A38 and City Centre, the property is within close proximity of well regarded local schools and the green expanse of Central Park.

Beautifully presented and thoughtfully reconfigured for modern family living and entertaining, the home welcomes you through a vestibule into a striking open plan living space. The former dining room wall has been removed to create a seamless flow with the kitchen enhanced by stylish navy panelled cabinetry incorporating integrated appliances including a fridge freezer, dishwasher and pull out pantry. The dining area offers ample space for a statement table and chairs, making it ideal for hosting. Leading into the lounge, the space is rich in character with stripped floorboards that feature throughout the ground floor, sliding doors, ornate corncicing, window seat with under storage and a contemporary wood burning stove that forms a warm and captivating focal point.

To the first floor, the generous principal bedroom is enhanced by a bay window, alongside a further double bedroom and a well proportioned single bedroom. These are served by a well appointed family bathroom, complete with a shower over the bath.

Externally, there is a lovely courtyard garden, along with a garage with an up-and-over door, along with additional low level cellar space and external storage. There is also an outside WC and a separate boiler/utility room, housing a boiler installed just six months ago.

This superb period home has been thoughtfully updated to suit contemporary living while retaining its characterful charm. Distinctively presented, it will appeal to families seeking excellent school catchments as well as couples looking for a stylish and conveniently located home. A viewing is highly recommended to fully appreciate all that this enviable property has to offer.
