STAIRLIFT IN PLACE AS AID FOR MOBILITY ISSUES

DC Lane are thrilled to present this superb detached bungalow situated on a private road leading from Bainbridge Avenue within the highly sought after location of Hartley, conveniently close to local amenities and within easy access to the A38 and City Centre.

The property is approached through double galvanised gates opening into a driveway which offers ample parking for multiple vehicles. There are mature shrubs and trees, a useful timber shed and steps to the property with a fitted stairlift, however if required this could be removed. A paved terrace provides views over the front garden and local area, a lovely spot for relaxation or entertaining.

Despite its unassuming exterior, this bungalow is deceptively spacious offering ample room for comfortable living. The entrance porch opens into the rather generous reception room which spans the length of the bungalow and can easily accommodate large pieces of statement furniture, with an electric fire and dual aspect windows your eyes are constantly drawn to the view through the sliding patio doors that open onto the terrace. From this room there are two opposite doors one opening into a double bedroom with en suite shower room and the other into a lobby leading to a further double bedroom with fitted wardrobes and bathroom with shower over the bath. This layout would maybe suit a mature couple with the two bedrooms and two bathrooms. The well appointed kitchen has an abundance of cabinets with integrated fridge/freezer and dishwasher. There is garden access from the kitchen along the side of the property.

Built in 2002, the first time coming to the market in 22 years. this well maintained bungalow is set within a sizeable plot and the benefit of no onward chain completes the appeal of this lovely home. An enviable property in a desirable location - a viewing is highly recommended.
