DC Lane are delighted to present this superb ground floor apartment located within the iconic Grade II listed development 'The Millfields' set within landscaped grounds on the former site of the Royal Naval Hospital. The historic buildings and grounds are surrounded by the original hospital wall which provides a secure gated environment. The peace of mind afforded to residents within The Millfields is exceptional. The gated entrance with 24 hour security, for both vehicles and pedestrian access, provides a wonderfully relaxed and secure atmosphere to the whole community.

The Grade II listed Mews are positioned in a quiet area of The Millfields in the former north gate entrance from Stonehouse creek and features the original arched entrance with gates. With an attractive Georgian limestone facade entry is within the historic arch into a private entrance leading into an open plan reception room featuring four beautiful sash windows allowing natural light to flood through and boasting views of Devonport High School and grounds. The kitchen offers space for washing machine, dishwasher, fridge and freezer and large pieces of furniture can easily be accommodated within this generous room. There are two double bedrooms, one with walk in cupboard and a bathroom with shower over the bath. With modernisation required the property is held on a long lease, has a small outside area to sit and enjoy the view, allocated parking and is being sold with no onward chain.

Offering residents the opportunity to enjoy city living and the tranquility of waterside life with a short walk to the bustling city centre and close to King Point Marina, Plymouth's historic Hoe and the ever popular Royal William Yard, we believe this apartment would make an ideal First Time Buy or a Buy to Let (Airbnb permitted) and a viewing is highly recommended.
