DC Lane are thrilled to showcase this well presented terraced home situated close to Plymouth city centre and local amenities with excellent transport links to the A38.

Located close to Mutley Plain this lovely period property exudes charm, character features and well proportioned rooms. The ground floor accommodation features beautiful exposed wood floors and 'old school' radiators and the entrance hall has a walk in cupboard offering plentiful storage. The principal reception room with bay window has a period fireplace set against an exposed brick wall and a further reception room is garden facing. The kitchen has an abundance of cabinets and the rear lobby with garden access leads to a utility area. The first floor landing leads to a particularly spacious master bedroom and a further large second bedroom, shower room and separate w/c with stairs rising to a generous attic room.

Externally there is a paved area at the front to enjoy the morning sun and to the rear this impressive low maintenance garden features space for various seating areas for different moods and occasions - this certainly is a garden for enjoyment.

With natural light flooding the property throughout and offered with no onward chain, we believe this delightful property would make a superb home and a viewing is highly recommended.
